ZONE1 ANNOUNCES NEW CLIENT RELEATIONSHIP WITH BAMBERGER POLYMERS

Zone1, a leader in e-Card software, announced the addition of a new client to its growing client base. Zone1 will represent Cochlear Americas exclusively, providing them with a branded, easy-to-use and secure online open to public e-Greeting card platform so their marketing team, customers, and their people can interact quickly with each other.

Bamberger Polymers, Inc — headquartered in New York, with sales offices throughout the United States and Canada, and regional offices in Mexico and Europe -- is a global distributor of plastic resins for molders, extruders, compounders and manufacturers serving nearly every major industry. For four decades, Bamberger has provided competitive pricing, exceptional service and technical expertise to our clients, delivering more than 850 million pounds of bulk and packaged resins every year. Bamberger Polymers wanted simple and easy-to-use e-Cards platform to allow employees to communicate with their clients and colleagues.

"Zone1 has provided the right solution to fit Bamberger Polymers specifications and needs." says Zone1, Managing Director Moody Hayawan. "Zone1 is proud to represent this innovative company, and proud with the continues relationship."

"We were very pleased with your custom ecard application. The development and setup process was painless, and Zone One's customer service was very responsive. Our users were impressed with the ease in which they could quickly send a personalized holiday greeting to their business contacts. We would not hesitate to recommend Zone One." says Bamberger Polymers, CFO Paul Coco.

About Zone1

Zone1, a leader in e-Card software, provides brand conscious companies an easy-to-use online greeting e-Card software platform their marketing and sales teams, employees and customers a year-round, branded and complete online greeting e-Card presence for any occasion.
