ZONE1 ANNOUNCES NEW CLIENT RELEATIONSHIP WITH MTS ALLSTREAM

Zone1 provides the Complete Web Solutions that solve the needs of businesses today for an online presence. Every aspect of our business philosophy is focused towards complete customer satisfaction. We can guide your online business from initial concept and development through all stages of its implementation.

MTS Allstream, as a wholly owned subsidiary of Manitoba Telecom Services Inc., delivers innovative products and services to their business customers across Canada and to all market segments in Manitoba. Leveraging the entrepreneurial spirit and skills of their 5,500 employees, their close customer relationships and our national broadband network, they provide a broad range of solutions including high-speed internet, wireless, digital TV, converged IP networking, and unified communications.

"Zone1 is proud to represent this innovative company. The marketing team at MTS Allstream quickly realized that Zone1's e-Cards platform was easy-to-use and fast way to promote their domestic brand. We see Zone1's e-Cards platform as an amazing tool for so many brand conscious organizations. This is exactly the type of brand and image aware company Zone1 seeks to represent." says Zone1, Managing Director Moody Hayawan.

"I wanted to take a moment to thank-you and your team for the incredible job on our 2008 e-cards project. Thanks to you our project was completed on time and on budget and delivered a great finished product. Your positive attitude and personal mantra that "anything is doable" made working with you under often tight timelines, an absolute pleasure. We continue to rely on you to guide us within the industry best practices for e-marketing and appreciate your new and innovative ideas to further increase the functionality and usability of the site. Please feel free to have prospective clients contact me as a reference." says MTS Allstream, Senior Manager, Nicole Francis.
